Formative Assessment 1

Choose a digital print or video Dove advertisement that you find interesting or persuasive. Analyze how the advertisement tries to influence its audience. In your presentation, explain the techniques used, the intended message, and whether it is effective.

Note:

Do not repeat the ones done in class.

Do not use any images or videos with explicit content.

Consider:

1. **Target Audience:** Who is the ad aimed at? How can you tell?
2. **Message & Purpose:** What is the main message? Is it to inform, persuade, or entertain?
3. **Visual Elements:** Colors, images, layout, fonts – how do they affect the audience?
4. **Language & Tone:** What words, slogans, or phrases are used? Are there puns, exaggeration, or emotional appeals?
5. **Persuasive Techniques:**
    - **Name-calling**
    - **Glittering generalities**
    - **Bandwagon**
    - **Testimonials**
    - **Emotional appeal**

    This is not an exhaustive list. Explore other relevant persuasive techniques.
6. **Effectiveness:** Does the ad successfully grab attention or persuade? Why or why not?
